Here are some unique dating ideas to make a great impression on the ladies...:

### **DINNER AT YOUR PLACE**

One of my favorite things to do is to invite a lady over for a candlelight steak dinner and champagne. I do all the cooking and wait on my date hand and foot. I really make my date feel special. So, if you really want to make someone feel special and have a romantic evening, do this for a very special date.

### **AMUSEMENT PARKS**

This really makes for a fun date, especially if you both enjoy thrill-seeking rides such as roller coasters, etc. Also, don't forget to try and win her a teddy bear or other keepsake.

### **BOAT RENTAL**

This makes for a unique experience and it's so relaxing and enjoyable. You can charter a boat with

captain and crew or rent a powerboat for skiing, fishing, or just for cruising.

## **CAMPING**

What a great way to enjoy the great outdoors! Things really get cozy and romantic sitting in front of an open fire! This is sure to melt her heart and make her want to share your sleeping bag.

## **DINNER THEATRE**

There's nothing like good entertainment while you're eating. Your date will really be impressed and this is one of my top choices to take a date to.

## **GO-CARTS**

These are a lot of fun for adults too. Why not challenge your date to a race around the track.

## **HORSE RACES OR DOG RACES**

Here's another fun activity you can both share and make some money too, if you are lucky.

### **ICE SKATING**

Don't know how to skate? No problem, It's a lot of fun just learning. Sure, you're going to take a few spills on the ice. It's all part of the fun! This is great place to go on a date even if you don't know how to ice skate. You can always take lessons, too.

### **JET SKIS**

This is like riding a motorcycle on the water and your date can ride on the back. Take my word for it, this is the ultimate joy ride while having some great fun on the water. You can rent them for about \$20 for a half-hour.

### **KITE FLYING**

Stop by any toy store and pick up a kite and go on a kite date. Head for your local park, beach, or

any wide-open space. Kites are not just for kids. It's a fun experience for all ages and it's kind of romantic. So, get your date and go fly a kite.

## **CONCERTS**

This will put you and your date in a good mood, especially if the band is good. Check out your area for places that offer live music. Take her to Rock Concerts too.

## **MOONLIGHT STROLLS**

When there's a full moon and clear skies, head for any lake or seashore. It's so romantic to take your shoes off and wade along the shore with the full moon gleaming on the water.
