**Master Resale Rights
License Agreement**

Dear valued customer,

Congratulations and thank you for your investment in the master rights license to "Instant Info Riches"! This is a quality product with great information and I'm sure you'll benefit from it.

Before you start, please read the following:

Important Information

Please read these terms:

1. You must keep this **master rights PDF license to verify yourself as an official holder of the license**. You must also be able to produce it on demand should the need arises.
2. Please note that I **cannot** legally guarantee that you'll make any money with the master resale rights or from the product itself. Your income will depend solely upon your own efforts.
3. **You** are responsible for providing your own hosting, download locations and customer service support to your own customers. I do not provide instructions for setting your site up PDF.
4. You **may not** sell the master resale rights opportunity to the product in itself as what I've done. You may also **not**, under any circumstances, give away or sell this product on a membership site.
5. You **may** however do anything else you want with the master resale rights license. You can sell the resale rights (**recommended price is \$297**) or you may sell the product as a stand alone product (recommended price is \$97 for the stand alone version)
6. You **must** provide the **basic resale license** to anyone you sell the resale rights to. I've included a file named "IIR-Basic Resale License.zip" for you to provide you your customers that purchase the basic resale rights license.
7. You **MAY NOT** market the product in any immoral or unethical manner, including UCE - unsolicited commercial email, also known as SPAM.
8. Any violation of this agreement will be subject to a revoking of your master resale rights license in which case all monies paid will be forfeited.

This constitutes the entire "Instant Info Riches" Master Resale Rights License Agreement. Any disputes or terms not discussed in this agreement are at the sole discretion of Louis Burleson.

Thanks again and I wish you the best in all your information marketing ventures!

Respectfully,
