LEGAL: This guide and the resources herein are published and distributed for reference, information, and evaluation purposes only. Presentation of Internet links or other resources in this guide does not imply nor substantiate recommendation nor endorsement by the publishers/contributors/distributors, nor do they make or imply any guarantee toward any level of results or profit to be gained by utilization of any resource, whether primary or otherwise, that may be accessed through Internet links presented in this guide. Any and all utilization of this guide will be actioned by the end user at her/his sole discretion and judgement, without recourse.

Results, if any, will depend solely on the end user's unique talents and abilities, the quality of product, service, and/or offer being promoted, and the degree, frequency and consistency of effort. The publishers/contributors/distributors of this guide have no control over those factors and they forthwith and summarily disclaim any and all liability for damages or losses incurred, whether direct or otherwise, by any and all end users. As with any business venture and/or related activity, there is an inherent risk of loss of capital and other assets.
